Dear Mr Glasgow,

Re: Court transcripts from 2007

Further to your letter dated the 16th May 2013, we are writing to confirm that we are unable to supply a transcript of the proceedings on the 13th March, 14th March, 15th March and 16th March 2007 as requested as all the tapes/ records have been destroyed.

However, we are in possession of a few transcripts which are as follows: Proceedings from 11.30 to end on the 13th March 2007, the summing-up, up to and including the verdicts from the 16th March 2007 and the Sentencing Remarks from the 3rd August 2007.

Our contract only requires us to keep our records for five years, so we apologise we are unable to meet your request.

Yours sincerely

Emma Goss
